CORPORATE FINANCE

What Is a Marketing Strategy?

A marketing strategy refers to a business's overall game plan for reaching prospective consumers and turning them into customers of the products or services the business provides. A marketing strategy contains the company's value proposition, key brand messaging, data on target customer demographics, and other high-level elements.

INVESTMENT

Dedicated Investor Definition

An investor is any person or other entity (such as a firm or mutual fund) who commits capital with the expectation of receiving financial returns. Investors rely on different financial instruments to earn a rate of return and accomplish important financial objectives like building retirement savings, funding a college education, or merely accumulating additional wealth over time.
